In one of the most sought-after areas of Cap d'Ail, in the heart of the highly sought-after Roccamare district, this superb, recently renovated villa of approximately 150 m² (1,600 sq ft) stands on a landscaped plot of 780 m² (8,000 sq ft) and offers exceptional panoramic views of the Mediterranean, from Cap Mala to Saint-Jean-Cap-Ferrat. The villa is composed as follows: Main level: beautiful entrance hall with storage, separate fully equipped kitchen with dining area, spacious living/dining room opening onto a spectacular terrace overlooking the sea, guest toilet, and a first bedroom with an en-suite shower room. Lower level: two additional bedrooms, a shower room, a bathroom with toilet and bidet, a laundry room, and a large dressing room. A separate guest bedroom with its own shower room and toilet completes the property. Outside, the property offers multiple relaxation areas: a swimming pool, jacuzzi, summer kitchen, sunny terraces, and a perfectly maintained wooded garden. A large garage that can accommodate two full vehicles makes this a rare property. Ideal exposure, absolute tranquility, and breathtaking sea views. A villa full of charm and character, a must-see.
